

Terms of Use

Last updated: May 2018

1. Acceptance of Terms

The Nemaris Services or Surgimap Services (as defined below) that Nemaris provides to User (as defined in the Nemaris Inc. Services Agreement) in connection with Surgimap.com and Nemaris.com are subject to the following Terms of Use ("TOU"). Nemaris reserves the right to update the TOU and package an updated TOU with software upgrades at any time. The most up-to-date version of the TOU will always be available on Surgimap.com. Violating these TOU may result in the suspension or deletion of a User's account.

1. This TOU, which incorporates by reference some other provisions applicable to use of Surgimap.com including but not limited to those from the Business Associate Agreement and Nemaris Inc. Services Agreement ("Services Agreement"), and the Nemaris Privacy Policy sets forth the terms and conditions that apply to use of Surgimap.com by User. By using Nemaris' Surgimap.com, User agrees to comply with all of the terms and conditions hereof. The right to use Surgimap.com is personal to User and is not transferable to any other person or entity. For that reason, all medical professionals who directly benefit from Surgimap Services must have their own active Surgimap account. User is responsible for all use of User's account (under any login name or password) and for ensuring that all use of User's account complies fully with the provisions of this TOU. User shall be responsible for protecting the confidentiality of User's password(s), if any.
2. Nemaris shall have the right at any time to change or discontinue any aspect or feature of Surgimap.com, including, but not limited to, content, hours of availability, and equipment needed for access or use.
3. For the purposes of these TOU, Surgimap.com, Nemaris.com, Nemaris.net, and Surgimapspine.com are to be treated interchangeably.

2. Changed Terms

Nemaris reserves the right at any time to change or modify the terms and conditions that apply to User's use of Surgimap.com, or any part thereof including the software platform featured on the site, or to impose new conditions on User, including but not limited to usage or service fees. Such changes, modifications, additions or deletions shall be effective immediately upon issuance of reasonable notice. Reasonable notice may take the form of postings on Surgimap.com, email notifications, conventional

mailings, in-software prompts, or other commercially viable means. Any use of Surgimap.com by User after such notice shall be deemed to constitute acceptance by User of such changes, modifications or additions.

3. Description of Surgimap Services

Through Surgimap.com or Nemaris.com, Nemaris provides User with access to a variety of presently available resources or other resources that might be made available in the future, mainly product information (collectively "Surgimap Services," "Nemaris Services," or "Services"). The Surgimap Services, including any updates, enhancements, new features, and/or the addition of any new Web properties in Surgimap.com or Nemaris.com, are subject to these TOU.

4. Equipment

User shall be responsible for obtaining and maintaining all telephone, wireless services, computer hardware, software, and other equipment needed for access to and use of Surgimap.com and all charges related thereto.

5. User Conduct

1. User shall use Surgimap.com for lawful purposes only. User shall not post or transmit through Surgimap.com any material which violates or infringes in any way upon the rights of others, which is unlawful, threatening, abusive, defamatory, invasive of privacy or publicity rights, vulgar, obscene, profane or otherwise objectionable, which encourages conduct that would constitute a criminal offense, give rise to civil liability or otherwise violate any law, or which, without Nemaris' express prior approval, contains advertising or any solicitation with respect to products or services. Any conduct by a User that in Nemaris' discretion restricts or inhibits any other User from using or enjoying Surgimap.com will not be permitted. User shall not use Surgimap.com to advertise or perform any commercial solicitation, including, but not limited to, the solicitation of users to become subscribers of other information services that compete with Nemaris Services or Surgimap software.
2. Surgimap Services contain copyrighted material, trade secrets, trademarks and other proprietary information, including, but not limited to, text, software, photos, video, graphics, music and sound; the entire contents of Surgimap.com are copyrighted as a collective work under the United States and international intellectual property laws. Nemaris owns a copyright in the selection, coordination, arrangement and enhancement of such content, as well as in the content original to it. User may not modify, publish, transmit, participate in the transfer or sale, create derivative works, or in any way exploit, any of the content,

in whole or in part. User may download copyrighted material for User's personal use only. Creation and use of a Surgimap account for a medical professional (e.g., a surgeon who will rely on a Surgimap-generated pre-operative plan or Surgimap templated device implant) who does not have a dedicated, active, and independent Surgimap account that is linked to User's would violate these TOU. Except as otherwise expressly permitted under copyright law, no copying, redistribution, reverse engineering, retransmission, publication or commercial exploitation of downloaded material will be permitted without the express permission of Nemaris and the intellectual property owner. In the event of any permitted copying, redistribution or publication of copyrighted material, no changes in or deletion of author attribution, trademark legend or copyright notice shall be made. User acknowledges that it does not acquire any ownership rights by downloading copyrighted material.

3. User shall not upload, post or otherwise make available on Surgimap.com any material that is protected by copyright, trademark or other proprietary right without the express permission of the owner of the copyright, trademark or other proprietary right. The burden of determining respective intellectual property ownership in these situations rests with User. User shall be solely liable for any damage resulting from any infringement of copyrights, proprietary rights, or any other harm resulting from such a submission. By submitting de-identified (as defined under HIPAA and its exceptions for treatment, healthcare operations, and payment) material to public areas of Surgimap.com, User automatically warrants that the owner of such material has granted Nemaris the royalty-free, perpetual, irrevocable, non-exclusive right and license to use, reproduce, modify, adapt, publish, translate and distribute such material (in whole or in part) worldwide and/or to incorporate it in other works in any form, media or technology now known or hereafter developed for the full term of any copyright that may exist in such material. User also permits any other User to access, view, store or reproduce the material for that User's personal use. User hereby grants Nemaris the right to edit, copy, publish, use, and distribute any material made available on Surgimap.com by User in any manner that is consistent with HIPAA regulations (e.g., deidentified data). Deidentified data use may include, but is not limited to, general improvements to the Surgimap software, development of new features, workflow improvements, and formula creations for the benefit of Surgimap, Users, or patients.
4. The foregoing provisions of Section 5 are for the benefit of Nemaris, its subsidiaries, affiliates and its third party content providers and licensors and each shall have the right to assert and enforce such provisions directly or on its own behalf.

6. Use of Surgimap Services

The Surgimap Services contain e-mail services (e.g., newsletters, case collaboration messages), bulletin board services, chat areas, news groups, forums, communities, personal web pages, calendars, photo albums, file cabinets and/or other message or communication facilities that are designed to enable User to communicate with others (each a "Communication Service" and collectively, "Communication Services"). User agrees to use the Communication Services only to post, send and receive messages and materials that are proper, HIPAA-compliant, and, when applicable, related to the particular Communication Service. By way of example, and not as a limitation, User agrees that when using the Communication Services, User will not:

- *Use the Communication Services in connection with surveys, contests, pyramid schemes, chain letters, junk email, spamming or any duplicative or unsolicited messages (commercial or otherwise).
- *Defame, abuse, harass, stalk, threaten or otherwise violate the legal rights (such as rights of privacy and publicity) of others.
- *Publish, post, upload, distribute or disseminate any inappropriate, profane, defamatory, obscene, indecent or unlawful topic, name, material or information.
- *Upload, or otherwise make available, files that contain images, photographs, software or other material protected by intellectual property laws, including, by way of example, and not as limitation, copyright or trademark laws (or by rights of privacy or publicity) unless User own or control the rights thereto or have received all necessary consent to do the same.
- *Use any material or information, including images or photographs, which are made available through the Surgimap Services in any manner that infringes any copyright, trademark, patent, trade secret, or other proprietary right of any party.
- *Upload files that contain viruses, Trojan horses, worms, time bombs, cancelbots, corrupted files, or any other similar software or programs that may damage the operation of another's computer or property of another.
- *Advertise or offer to sell or buy any goods or services for any business purpose, unless such Communication Services specifically allows such messages.
- *Falsify or delete any copyright management information, such as author attributions, legal or other proper notices or proprietary designations or labels of the origin or source of software or other material contained in a file that is uploaded.

- *Restrict or inhibit any other user from using and enjoying the Communication Services.
- *Violate any code of conduct or other guidelines which may be applicable for any particular Communication Service.
- *Harvest or otherwise collect information about others, including e-mail addresses.
- *Violate any applicable laws or regulations.
- *Create a false identity for the purpose of misleading others, including Nemaris.
- *Use, download or otherwise copy, or provide (whether or not for a fee) to a person or entity any directory of users of the Services or other user or usage information or any portion thereof.
- *Use outputs from Surgimap Services to build competitive products or in a manner inconsistent with Surgimap Branding Guidelines.

Nemaris has no obligation to monitor the Communication Services. However, Nemaris reserves the right to review materials posted to the Communication Services and to remove or modify any materials and content in its sole discretion. Acting in a manner proscribed above is considered a material breach of these TOU and Nemaris reserves the right to terminate User's access to any or all of the Communication Services in that instance without notice. Nemaris reserves the right at all times to disclose any information as it deems necessary to satisfy any applicable law, regulation, legal process or governmental request, or to edit, refuse to post or to remove any information or materials, in whole or in part, in Nemaris' sole discretion.

Materials uploaded to the Communication Services may be subject to posted limitations on usage, reproduction and/or dissemination; User is responsible for adhering to such limitations if User downloads the materials.

Always use caution when giving out any personally identifiable information in any Communication Services. Nemaris does not control or endorse the content, messages or information found in any Communication Services and, therefore, Nemaris specifically disclaims any liability with regard to the Communication Services and any actions resulting from User's participation in any Communication Services. Managers and hosts are not authorized Nemaris spokespersons, and their views do not necessarily reflect those of Nemaris.

7. Member Account, Password & Security

Surgimap Services require all users (specifically all medical professionals who benefit either directly or indirectly from Surgimap Services) to open their own accounts, and a User must complete the registration process by providing Nemaris with current, complete and accurate information as prompted by the applicable registration form. User also will choose a password and a user name. User is entirely responsible for maintaining the confidentiality of User's password and account. Furthermore, User is entirely responsible for any and all activities that occur under User's account. User agrees to notify Nemaris immediately of any unauthorized use of User's account or any other breach of security. Nemaris will not be liable for any loss that User may incur as a result of someone else using User's password or account, either with or without User's knowledge. However, User could be held liable for losses incurred by Nemaris or another party due to someone else using User's account or password. User may not use anyone else's account at any time, without the permission of the account holder. Nor may User establish an account for the purpose of providing a third party service offering if those third parties have not created personal Surgimap accounts in their own names.

8. Representations and Attestations

User understands and acknowledges that Surgimap.com and the products featured therein for download, viewing, or use are intended for use by medical professionals (e.g., clinicians, practitioners, surgeons, nurses, support staff, researchers, etc.). User attests to the fact that User is considered a medical professional of some kind or someone who provides a service (e.g., film reading, measuring, simulations) to medical professionals, and User understands that Surgimap Services do not and not intended to supplant User's professional opinions about the nature of patient care. User attests to User's understanding that User must exercise independent judgment when evaluating and verifying any and all information contained in any Surgimap Service including but not limited to the Surgimap software platform.

If User is considered to be a research professional in the medical field, User attests to the fact that User has obtained all proper permissions (e.g., from an Independent Review Board, patient, hospital) to undertake any and all studies for which User is utilizing a Surgimap Service including the Surgimap software platform. User understands and acknowledges that it is not Nemaris' responsibility to verify the validity of such permissions or remind User to seek them.

9. Notice Specific to Software Available on This Site

Any software that is made available to download from the Surgimap Services ("Surgimap Software") is the copyrighted work of Nemaris and/or its suppliers. Use of the Surgimap Software is governed by the terms of the Nemaris Inc. Services Agreement, which accompanies or is included with the Surgimap Software. An end user

will be unable to install any Surgimap Software that is accompanied by or includes a Services Agreement unless he or she first agrees to the Services Agreement terms.

Any reproduction or redistribution of the Surgimap Software not in accordance with the Services Agreement is expressly prohibited by law, and may result in severe civil and criminal penalties. Violators will be prosecuted to the maximum extent possible.

WITHOUT LIMITING THE FOREGOING, COPYING OR REPRODUCTION OF THE SURGIMAP SOFTWARE TO ANY OTHER SERVER OR LOCATION FOR FURTHER REPRODUCTION OR REDISTRIBUTION IS EXPRESSLY PROHIBITED, UNLESS SUCH REPRODUCTION OR REDISTRIBUTION IS EXPRESSLY PERMITTED BY THE SERVICES AGREEMENT ACCOMPANYING SUCH SURGIMAP SOFTWARE. THE SURGIMAP SOFTWARE IS WARRANTED, IF AT ALL, ONLY ACCORDING TO THE TERMS OF THE SERVICES AGREEMENT. EXCEPT AS WARRANTED IN THE SERVICES AGREEMENT, NEMARIS HEREBY DISCLAIMS ALL WARRANTIES AND CONDITIONS WITH REGARD TO THE SURGIMAP SOFTWARE, INCLUDING ALL WARRANTIES AND CONDITIONS OF MERCHANTABILITY, WHETHER EXPRESS, IMPLIED OR STATUTORY, FITNESS FOR A PARTICULAR PURPOSE.

FOR YOUR CONVENIENCE, NEMARIS MAY MAKE AVAILABLE AS PART OF THE SURGIMAP SERVICES OR IN ITS SURGIMAP SOFTWARE PRODUCTS, TOOLS AND UTILITIES FOR USE AND/OR DOWNLOAD. NEMARIS DOES NOT MAKE ANY ASSURANCES WITH REGARD TO THE ACCURACY OF THE RESULTS OR OUTPUT THAT DERIVES FROM SUCH USE OF ANY SUCH TOOLS AND UTILITIES. PLEASE RESPECT THE INTELLECTUAL PROPERTY RIGHTS OF OTHERS WHEN USING THE TOOLS AND UTILITIES MADE AVAILABLE ON THE SURGIMAP SERVICES.

10. Notice Specific to Documents that Are Available on This Web Site

Permission to use documents (such as white papers, press releases, datasheets and FAQs) from the Surgimap Services is granted, provided that (1) the below copyright notice appears in all copies and that both the copyright notice and this permission notice appear, (2) use of such documents from the Surgimap Services is for informational and non-commercial or personal use only and will not be copied or posted on any network computer or broadcast in any media, (3) no modifications of any documents are made, and (4) must be consistent with the Surgimap Branding Guidelines found on Surgimap.com. Accredited educational institutions, such as universities, private/public colleges, and state community colleges, may download and reproduce the documents

for distribution in the classroom. Distribution outside the classroom requires express written permission. Use for any other purpose is expressly prohibited by law, and may result in severe civil and criminal penalties.

NEMARIS AND/OR ITS RESPECTIVE SUPPLIERS MAKE NO REPRESENTATIONS ABOUT THE SUITABILITY OF THE INFORMATION CONTAINED IN THE DOCUMENTS AND RELATED GRAPHICS PUBLISHED AS PART OF THE SURGIMAP SERVICES FOR ANY PURPOSE. ALL SUCH DOCUMENTS AND RELATED GRAPHICS ARE PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND. NEMARIS AND/OR ITS RESPECTIVE SUPPLIERS HEREBY DISCLAIM ALL WARRANTIES AND CONDITIONS WITH REGARD TO THIS INFORMATION, INCLUDING ALL WARRANTIES AND CONDITIONS OF MERCHANTABILITY, WHETHER EXPRESS, IMPLIED OR STATUTORY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT. IN NO EVENT SHALL NEMARIS AND/OR ITS RESPECTIVE SUPPLIERS BE LIABLE FOR ANY SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES OR ANY DAMAGES WHATSOEVER RESULTING FROM LOSS OF USE, DATA OR PROFITS, WHETHER IN AN ACTION OF CONTRACT, NEGLIGENCE OR OTHER TORTIOUS ACTION, ARISING OUT OF OR IN CONNECTION WITH THE USE OR PERFORMANCE OF INFORMATION AVAILABLE FROM THE SURGIMAP SERVICES.

THE DOCUMENTS AND RELATED GRAPHICS PUBLISHED ON THE SURGIMAP SERVICES COULD INCLUDE TECHNICAL INACCURACIES OR TYPOGRAPHICAL ERRORS. CHANGES ARE PERIODICALLY ADDED TO THE INFORMATION HEREIN. NEMARIS AND/OR ITS RESPECTIVE SUPPLIERS MAY MAKE IMPROVEMENTS AND/OR CHANGES IN THE PRODUCT(S) AND/OR THE PROGRAM(S) DESCRIBED HEREIN AT ANY TIME.

11. Notices Regarding Surgimap Software, Documents, and Services that Are Available on this Site

Except as otherwise provided in the indemnification sections of the Services Agreement or these Terms of Use, in no event shall Nemaris or its suppliers be liable for any special, indirect, or consequential damages or any damages whatsoever resulting from loss of use, data, or profits, whether in an action of contract, negligence or other tortious action, arising out of or in connection with the use or performance of Surgimap software, documents, provision of or failure to provide Nemaris Services, or information available from the Nemaris services.

12. Materials Provided to Nemaris or Posted at Any of Its Web Sites

Nemaris does not claim ownership of the material that Users provide to Nemaris or other Users while using Nemaris' web sites or its Surgimap software, and this includes feedback and suggestions (collectively, "Submission(s)"). This also includes postings, uploads, input, and submissions to any Nemaris Service or its associated services. Note that this is particularly true of things posted for review by others either in the medical community or in the general public, whether it is in public or private.

However, by posting, uploading, inputting, providing, or submitting (collectively, "Posting") User's Submissions or inputting data in the Surgimap software and sharing it, User grants Nemaris, its affiliated companies and their collective sub-licensees permission to use User's Submission in a HIPAA-compliant manner in connection with the operation of their Internet businesses (including, without limitation, all Nemaris Services). These rights include without limitation the license rights to copy, distribute, transmit, publicly display, publicly perform, reproduce, edit, translate and reformat User's Submission; to publish User's name in connection with User's Submission; to design improvements to the software and analyze data for medical insights; and the right to sub-license such rights to any supplier of the Services. The rights granted in this paragraph specifically exclude anything that would jeopardize Protected Health Information ("PHI") under HIPAA or related New York State health laws.

No compensation will be paid with respect to the use of User's Submission, as provided herein. Nemaris is under no obligation to post or use any Submission that User may provide and Nemaris may remove any Submission at any time in its sole discretion. By Posting a Submission User warrants and represents to own or otherwise control all of the rights to User's Submission as described in these Terms of Use including, without limitation, all the rights necessary for User to provide, post, upload, input or submit the Submissions.

In addition to the warranty and representation set forth above, by Posting a Submission that contains images, photographs, pictures or that are otherwise graphical in whole or in part ("Images"), User warrants and represents that (a) User is the copyright owner of such Images, or that the copyright owner of such Images has granted User permission to use such Images or any content and/or images that are contained in such Images consistent with the manner and purpose of User's use and as otherwise permitted by the Services Agreement, these Terms of Use and the Business Associate Agreement, (b) User has the rights necessary to grant the licenses and sublicenses described in these Terms of Use, and/or (c) that each person depicted in such Images, if any, has provided appropriate consent to the use of the Images as set forth in these Terms of Use if necessary, including, by way of example, and not as a limitation, consent to distribute,

publicly display and reproduce such Images. By Posting Images, User is granting (a) to all members of User's private community (as defined by the specified group with which User has explicitly chosen to transmit Images when e.g., sharing a case), and/or (b) to the general public (i.e., for each such Image available anywhere on Nemaris Services, other than in a private community), permission to use User's Images in connection with the use, as permitted by these Terms of Use, of any of the Nemaris Services. This permission is tantamount to a non-exclusive, world-wide, royalty-free license to copy, distribute, transmit, publicly display, publicly perform, reproduce, edit, translate and reformat User's Images without having User's name attached to such Images, as well as the right to sublicense such rights to any supplier of the Services. The licenses granted in the preceding sentences for Images will terminate at the time User completely removes the Images from Nemaris Services, provided that such termination shall not affect any licenses that were granted in connection with such Images prior to the time User completely removed such Images. No compensation will be paid with respect to the use of User's Images.

2. SURGIMAP.COM IS PROVIDED ON AN "AS IS" BASIS WITHOUT WARRANTIES OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO, WARRANTIES OF TITLE OR IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, OTHER THAN THOSE WARRANTIES WHICH ARE IMPLIED BY AND INCAPABLE OF EXCLUSION, RESTRICTION OR MODIFICATION UNDER THE LAWS APPLICABLE TO THIS AGREEMENT.

USER SPECIFICALLY ACKNOWLEDGES THAT NEMARIS IS NOT LIABLE FOR THE DEFAMATORY, OFFENSIVE, OR ILLEGAL CONDUCT OF OTHER USERS OR THIRD PARTIES AND THAT THE RISK OF INJURY FROM THE FOREGOING RESTS ENTIRELY WITH USER.

4. IN NO EVENT WILL NEMARIS, OR ANY PERSON OR ENTITY INVOLVED IN CREATING, PRODUCING OR DISTRIBUTING SURGIMAP.COM BE LIABLE FOR ANY DAMAGES, INCLUDING, WITHOUT LIMITATION, DIRECT, INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL OR PUNITIVE DAMAGES ARISING OUT OF THE USE OF OR INABILITY TO USE SURGIMAP.COM. USER HEREBY ACKNOWLEDGES THAT THE PROVISIONS OF THIS SECTION SHALL APPLY TO ALL CONTENT ON THE SURGIMAP.COM.

5. IN ADDITION TO THE TERMS SET FORTH ABOVE, NEITHER NEMARIS, NOR ITS AFFILIATES, INFORMATION PROVIDERS OR CONTENT PARTNERS SHALL BE LIABLE REGARDLESS OF THE CAUSE OR DURATION, FOR ANY ERRORS, INACCURACIES, OMISSIONS, OR OTHER DEFECTS IN, OR UNTIMELINESS OR UNAUTHENTICITY OF, THE INFORMATION CONTAINED WITHIN SURGIMAP.COM, OR FOR ANY DELAY OR INTERRUPTION IN THE TRANSMISSION THEREOF TO THE USER, OR FOR ANY CLAIMS OR LOSSES ARISING THEREFROM. NONE OF THE FOREGOING PARTIES SHALL BE LIABLE FOR ANY THIRD-PARTY CLAIMS OR LOSSES OF ANY NATURE, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, PUNITIVE OR CONSEQUENTIAL DAMAGES.

6. PRIOR TO THE EXECUTION OF ANY TRADE OF SECURITIES, USERS ARE ADVISED TO CONSULT WITH THEIR BROKERS OR OTHER FINANCIAL PLANNERS TO VERIFY PRICING AND OTHER INFORMATION. THE PARTY AFFECTED BY ANY SUCH EVENT SHALL NOTIFY THE OTHER PARTY WITHIN A MAXIMUM OF FIFTEEN (15) DAYS FROM OCCURENCE. THE PERFORMANCE OF THIS AGREEMENT SHALL THEN BE SUSPENDED FOR AS LONG AS ANY SUCH EVENT SHALL PREVENT THE AFFECTED PARTY FROM PERFORMING ITS OBLIGATIONS UNDER THIS AGREEMENT.

14. Links to Third Party Sites

Links to third party sites may appear on Nemaris' web sites or other Services, including Surgimap.com, Nemaris.com, or Surgimap software. Clicking these links will direct User away from Nemaris' web sites and software; these third party sites are not under the control of Nemaris, and Nemaris is not responsible for the contents that a User encounters on any of these third party sites.
